Pupil Premium Strategy Statement King Athelstan Primary School 2018-19

1. Summary information*							
School	School King Athelstan Primary School						
Academic Year	2018-19	2018-19 Total PP budget £ 128,980 Date of most recent PP Review February 2017					
Total number of pupils	377	Number of pupils eligible for PP	94	Date for next internal review of this strategy	September 2019		

2. Current attainment (July 2018 – 13 PP children in Year 6)					
*approximate school measure prior to data release	Pupils eligible for PP (school)	All Pupils			
% achieving in reading, writing and maths (end of Key Stage 2 July 2018)	38%	60%			
% making expected progress in reading (end of Key Stage 2 July 2018)	85%*	80%			
% making expected progress in writing (end of Key Stage 2 July 2018)	69%*	83%			
% making expected progress in maths (end of Key Stage 2 July 2018)	54%*	75%			

3. Ba	rriers to future attainment (for pupils eligible for PP, including high ability)					
In-sch	n-school barriers (issues to be addressed in school, such as poor oral language skills)					
A.	Gap in basic skills between PP children and non PP children (particularly in upper KS2)					
В.	Number of children who are PP that are also SEN / Child with Additional Needs (CAN) (e.g. there are 29 children who are also SEN (31% of PP children) , 7 of whom are in Year 4 (Oct 2018))					
Extern	al barriers (issues which also require action outside school, such as low attendance rates)					
C.	Emotional barriers to learning/behaviour					
D.	Impact of family context (e.g. parental emotional and mental health well-being) on ability of children to attend and learn effectively					
E.	Impact of family context (e.g. financial constraints) on children's ability to broaden their life experiences					

4. D	esired outcomes	
	Desired outcomes and how they will be measured	Success criteria
A.	PP children's access to the curriculum, engagement and progress throughout a lesson is supported through a creative and enriched curriculum and quality first teaching.	PP children's access to the curriculum, engagement and enjoyment in class learning tasks and progress during core curriculum (English and Maths) lessons is maximised
A./B.	Lower ability PP children's development of basic skills is supported through bespoke intervention with PP teacher including 1:1, small group, and after school intervention clubs with PP teacher making links with parents/carers to support learning at home	Targeted lower ability/SEN PP children's basic skills are developed with a clear link between children's progress in terms of 'closing the gap' with other non PP children
A.	Identified PP children's learning is supported by working on the development of in-class strategies with teachers and teaching assistants so that all PP children make expected or better than expected progress	Identified PP's children's learning is improved leading to greater progress and attainment in core curriculum subjects
A.	Targeted more able PP children have their learning extended through acting as mentors with younger PP children in daily targeted 1:1 reading support.	Targeted more able PP children's learning and confidence is extended resulting in them attaining at a greater depth
C.	Targeted PP children are 'ready to learn' through provision of Nurture Team support	Targeted PP children's readiness to learn is maximised and maintained
D.	Parents/carers understanding of targeted PP children's needs and school provide parents/carers with strategies to support children at home through involvement of Nurture Team, PP Teacher and/or in-school Emotional Health Service (EHS) and Family Support.	Targeted PP children's parents/carers have a clear understanding of their children's needs and are best able to provide for these at home
E.	PP children's enjoyment and engagement in enrichment activities is supported through supported access to school clubs and educational visits and wider opportunities (e.g. music tuition in Year 4)	Targeted PP children are able to access and engage fully in school facilitated enrichment activities

5.	Planned	l expenditure
----	---------	---------------

Academic year 2018-19

The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.

i. Quality of teaching for all

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Identified PP children's learning is supported so that all	Develop in-class strategies with teachers and teaching assistants	Staff who have tailored support and guidance on providing for the specific	Termly progress meetings as well as ongoing dialogue between staff and members of the SLT will	JP	Termly throughout the year

progress					
			Total bu	dgeted cost	See below
ii. Targeted suppo	ort				
Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Identified lower ability/SEN PP children's basic skills in English/Maths 'gaps' are filled	Bespoke intervention with PP teacher including 1:1, small group, and after school intervention sessions PP teacher to liaise with parents of 1:1 targeted children making links to support learning at home. School Educational Psychologist to be available to consult with staff of SEN PP pupils as well as provide direct work to support school's understanding of such children's needs	Children who have specific 'gaps' in their basic skills make better progress and close the gap in terms of their attainment and Age Related Expectations when supported to fill these gaps.	Weekly discussion between PP teacher and PP Lead to discuss individual children's progress Termly Progress Meetings Termly EP planning meeting with SENCo (AHT Inclusion)	Leadership Team	Ongoing throughout the year
Targeted PP children have the opportunity to access tailored PP after school clubs	SEN/Lower ability PP children are targeted for involvement in after school clubs	Targeted PP children do not usually get the chance to engage in activities provided in after school clubs because of family context and so 'miss out' on quality enrichment activities.	Termly discussion between Clubs Lead, Clubs Administrator and PP Lead to ensure fair provision	LR/DM/SA	Ongoing throughout the year
			Total bu	dgeted cost	See below

Desired outcome	Chosen	What is the evidence and rationale	How will you ensure it is	Staff lead	When will you
	action/approach	for this choice?	implemented well?	Otan rodu	review implementation?
Ensure targeted PP children are ready to learn	Provision of targeted Nurture Team support (i.e. involvement in group nurture sessions, 1:1 nurture support, playground support, Pets as therapy, EHS (Emotional Health Service)	Children's readiness to learn is a key factor in their ability to engage with the learning in class which, in turn, has a direct link to the progress made within a lesson	Regular Inclusion Team meetings (involving SENCo/Designated Teacher for CP, Nurture Lead, PP Intervention Teacher and EAL/SALT intervention teacher) to discuss, monitor and progress targeted children. Ongoing dialogue between Nurture Lead and Designated Safeguarding Leads	AG	Fortnightly Inclusion Team meetings Fortnightly Safeguarding meetings Termly Nurture Team review with class teachers
Engage parents/carers in understanding of targeted PP children's needs and provide them with strategies to support them at home	Involvement of Nurture Team and Emotional Health Service, including group work and parent support with Clinical Psychologist.	Parents/carers of PP children who fully understand their children's needs and are best placed to meet these (through advice and support) will be most impactful upon their children's development in a positive manner.	The school will aim to develop and maintain good open communication with parents and carers to facilitate engagement with them and best move forward actions planned to impact positively upon their children.	AG/DR	Fortnightly Inclusion Team meetings Fortnightly Safeguarding meetings Nurture feedback sessions with parents
Support targeted PP children's enjoyment and engagement in enrichment experiences	PP children are able to access one free after school club per term. The school's PP teacher also targets specific PP children for inclusion in PP after school clubs. The school subsidises the cost of board and lodging for PP children going on Yr6 residential School Journey	Targeted PP children who are able to access and engage fully in school facilitated enrichment activities feel more 'part' of whole school life	Targeted PP children to be offered place at one of 2 after school 'PP clubs' Year 6 PP children to have cost of School Journey subsidised by £50 per child	DMcL/LR /SA	Termly review of take up of after school club places and places at 'PP clubs' ran by PP teacher Yearly review of subsidising of PP children for School Journey.

Targeted PP children in EYFS have support for learning opportunities through play at lunchtimes	Class NNEBs are paid to provide an hour (30 mins each) support for PP children during the lunch hour to facilitate further learning opportunities and to secure positive social experience of eating together.	Children who are supported through play activities can better access the learning opportunities that these present		EN	Yearly review of staffing
			Total bud	dgeted cost	Staffing £105,240 School Journey £700 Emotional Health £8,000 Music Service £800 EP Service additional 'buy in' hours £5,400

Previous Academic	Year	2017-18					
i. Quality of teach	ning for all						
Desired outcome	Chosen action/approach	Impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)	Cost			
Identified PP children's learning is supported so that all make expected or better than expected progress.	Develop in-class strategies with teachers and teaching assistants.	End of year data showed a significant improvement on the previous year in Reading and Writing. Maths was comparable with last year (July 2018 48%, July 2017 58%)	Yes. End of year data showed progress in Reading, Writing and Maths with PP children's progress closer to non PP children and closer to the expected level of progress.	Staffing £103,402 TA salaries included from main budget			
Identified PP children's access to the curriculum, engagement and progress during a lesson is maximised.	Quality First Teaching, questioning and response to marking.		No. Practice demonstrated that the impact was mitigated by TAs not being consistently available. Questioning will continue to happen during ongoing Quality First Teaching.				

Desired outcome	Chosen action/approach	Impact : Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)	Cost
Identified lower ability /SEN PP children's basic skills in English and Maths 'gaps' are filled.	Bespoke intervention with PP teacher including 1:1, small group, and after school intervention sessions PP teacher to liaise with parents of 1:1 targeted children making links to support learning at home. School Educational Psychologist to be available to consult	Children working with PP teacher made progress through readiness to learn and the transfer of skills. The intervention was bespoke to the children's specific needs, within the curriculum but all work was related to the daily activity in class, including some pre teaching. Engagement with parents was improved with parents using activities, coached by PP teacher, with their children at home. 40 Sessions of EP time used with a focus of PP children with SEN – 3 EHCPs confirmed and 2 submitted awaiting a decision.	Yes. There was a positive impact on targeted children's learning behaviour including self-esteem. A higher focus on children led to children sustaining their efforts. Ensuring the learning is bespoke to each child. Continued commitment to longer term support for targeted children. Working with parents and carers will be continue to be a priority of the PP intervention teacher. Yes. Reflecting the increasing complex cohort. There has been a positive impact, facilitating teachers and support staff working with these children. Including	Staffing and EP costs
Targeted more able PP children have their learning extended and	with staff of SEN/PP pupils as well as provide direct work to support school's understanding of such children's needs Bespoke intervention with PP teacher	Children supporting younger PP readers. Children's own reading skills improved through supporting others. They developed	supervision of support staff supporting 2 pupils with severe and complex needs. Yes. Cross phase relationships between children has had a positive impact on children's self-esteem.	Staffing £103,402 TA salaries include from main budget

Targeted PP children have the opportunity to access tailored PP after school clubs.	SEN/Lower ability PP children are targeted for involvement in PP afterschool clubs	Children were able to take part in enrichment activities including sports, homework, computing, art, music and crafts clubs.	Yes. There was a positive impact on children's self- esteem and confidence.	
iii. Other approach	es			
Desired outcome	Chosen action/approach	Impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)	Cost
Ensure targeted PP children are ready to learn	Provision of targeted Nurture Team support	Within Nurture sessions children developed resilience and confidence in their learning. They were encouraged to take risks and were able to transfer these skills into class using Nurture targets and cohesive support from teachers and the Nurture team. Teachers reported increased engagement, focus and enjoyment of learning in class. By creating a welcoming, non-judgemental	Yes. Nurture Team, contributed to desired outcomes for PP children and their families during 2017-18 academic year. Engagement with parents and carers has been particularly successful and behaviour incidents have reduced.	Staffing £103,402 TA salaries included from main budget
Engage parents/carers in understanding of targeted PP children's needs and provide them with strategies to support them at home	Provision of targeted Nurture Team support (i.e. involvement in group nurture sessions, 1:1 nurture support, playground support, Pets as Therapy)	approach, the Nurture Team built bridges between parents/ carers and the school and created strong trusted foundations in order to facilitate a 'team around the child'. The team encouraged parents/carers to continue positive role modelling, learning support (e.g. phonics support) and to widen life experiences to support their children.		

children's enjoyment and engagement in enrichment experiences able to access one free after school club per term. The school subsidises the cost of board and lodging for PP children going on Yr 6 residential	Nos. of PP children attending after school clubs in 2017-18 academic year were: Autumn Term – 46% Spring Term - 51% Summer Term – 40% 83% of PP children attended 1 or more clubs during the year. 13 Year 6 PP children went on the School Journey in the Summer Term 2018 out of a total of 14 PP children in Year 6	Yes.	School Journey subsidy £400
---	---	------	--------------------------------

6. Additional detail

King Athelstan Practice

Accelerating progress: a rationale for PP children

Our aim is to remove barriers to learning for our PP children, open up their learning and engage them in their education.

- Ensure children are ready to learn through provision of Nurture, Emotional Health and Educational Psychologist services
- Support children's development of basic skills through bespoke intervention with PP teacher including 1:1, small group, after school intervention sessions
- Support children's development by working on the development of in class strategies with teachers and teaching assistants
- Support children's enjoyment and engagement in enrichment experiences through clubs and trips
- Support children's access, engagement and progress through focussed in class questioning
- Engage parents/carers in understanding of their child's needs and provide then with strategies to support them at home

Our aim is that "home-grown" PP children achieve at least National Expected Standards by the end of KS2.

Deploying staff effectively

Staff specifically supporting PP children within their roles includes 3 Nurture Team staff, 1 experienced PP teacher, TA/NNEB support in every class.

PP Teacher role:

- Data analysis / Needs analysis
- PP intervention
- Provision mapping
- Training for staff on intervention strategies for individuals or groups
- Support staff in differentiation, at planning and delivery stage, to improve access to learning through scaffolding
- Support transition to independence in class

- Redefine pupil individual targets in agreement with class teacher
- Future needs/recommendations added to needs analysis
- Parental/carer engagement with explicit reference to targets
- Monitoring and reporting

Nurture Lead role:

- Nurture development & management
- Planning
- Resource Management
- Pre-teaching of /additional support for basic skills
- Readiness to Learn
- 1:1 nurture intervention
- Pupil induction support
- Family Support referrals
- Family Liaison
- Emotional Health Service Buy in liaison: Art Therapy with Art psychologist, Group work with parents, support clinical psychologist.
- Pets As Therapy liaison
- CIN/Child protection case holder
- Designated Safeguarding Lead (Deputy)
- Whole School wellbeing

PP children's attendance

	No. of PP	%
Year	Children	Attendance
2014-2015	110	94.4%
2015-2016	102	94.6%
2016-2017	71	94.70%
2017-2018	86	93.7%

Data over time

Key Stage 2

2014-15 100% PP children made expected progress in Reading and Writing and all but 1 made expected progress in Maths. PP achieved 80% at the combined RWM attainment measure.

2015-16 progress was extremely poor ranging from 18% (school's own measure) to 53% for PP children and 59%-76% for non PP. Attainment ranged from 33% achieving the ExS to 61% although Teacher Assessment was higher in reading particularly, with children demonstrating stronger skills in class and practice papers.

2016-17 Attainment gap ranged from -25% to -35%. Progress in Reading was -0.3 (Vs 2.7 for "all"). Progress in writing was -1.5 (vs -1.5 for "all"). Progress in maths was much stronger at 1.6 (vs 3.2 for "all")

2017-18 The attainment gap was : Reading -18.7, Writing -39% and Maths -38.9%. However the in-year steps progress within Year 6 was greater than non-PP children.

A continuing issue for many PP children is their lack of life experience. This continues to direct the school's focus of support and expenditure for 2017-18.

Key Stage 1

2014-15 PP children's attainment was lower that non PP in all subject s at the ExS (Level 2). PP attainment at exceeding the ExS (Level 3) was low. More able PP were a focus for the following year.

2015-16 progress was extremely poor ranging from 18% (school's own measure) to 53% for PP children and 59%-76% for non PP. Attainment ranged from 33% achieving the ExS to 61% although Teacher Assessment was higher in reading particularly, with children demonstrating stronger skills in class and practice papers. The greatest challenge was linked to understanding and interpretation of specific vocabulary. This has redirected the school's focus of support and expenditure.

2016-17 Attainment gap ranged from -17% to -30%.

2017-18 91% of PP children passed phonics screening (vs 81% of all), reflecting the success of support staff interventions. The attainment gap in Reading (-32%), Writing (-44%) and Maths (-44%). Science was stronger with PP broadly in line with all.

The KS1 cohort is particularly affected by SEMH and SEND, however there is a target to close the gap further in Year 3

EYFS

2017-18 90% of PP children made a Good Level of Development in EYFS (vs 75% for all).

Across the school PP children make broadly the same in year progress as non PP however in order to close the attainment gap, progress needs to be accelerated.
