

Year 5 Topic: My Greek Odyssey		Thinking Skills					
		Knowing	Understanding	Applying	Analysing	Creating	Evaluating
Learning Style	Verbal/ written	Write a profile of your favourite Greek god.	Create a Greek islands quiz for the Theme table for your classmates to answer.	Write a letter to British astronaut Tim Peake. What would you like to find out about life on the International Space station?	Find photos of Greek artefacts. Describe what you think they were used for and give reasons for your ideas.	Write a diary entry of a child living on a Greek island.	Research and create a set of Greek god trump cards.
	Maths	Create a pictorial timeline showing key events throughout Ancient Greece.	Use the Greek number system to show completed calculations of your choice.	Construct an Ancient Greek board game.	Create a bar graph to show the varying current populations on different Greek islands. Suggest reasons for the differences.	Create your own model of a famous Ancient Greek building.	Compare the Greek number system with the Roman Number system. Which do you prefer? Give reasons for your answer.
	Visual/ Spatial	Draw a detailed picture of a Gladiator OR a plan of a Greek Amphitheatre.	Draw a detailed geographical map of a Greek Island. Include a key.	Design a floor plan for a new Ancient Greek museum. Decide on the layout and what each room would contain.	Look at various pictures of the Greek gods. Choose your favourite god and attempt to represent them in any way you like (painting/sculpture).	Recreate an artefact or model of an important object from Ancient Greece.	Compare the Ancient Greek Olympics to the modern Olympics. What are the similarities and differences?
	Musical	Find out what musical instruments the Ancient Greeks used. Create your own instrument.	Draw a picture of a musical instrument used in Ancient Greece and label what materials it was made from and the reasons why.	Perform a poem or rap about the Ancient Greek Olympics.	Compare Greek and modern day musical instruments. What instruments are similar? Record the similarities.	Create a song/piece of music about Space. Read current news stories for inspiration.	Listen to 'The Planets' by the composer Holst. Imagine you are a music critic. Write a review of this piece of music.
	Inter- personal	With a partner or group, act out Ancient Greek pastimes or jobs and create freeze frames to show the different roles or hobbies. Photograph this if possible.	With a friend work on an advert that would encourage people to attend the Ancient Greek Olympics.	Use everyday objects to create a lesson about the solar system. Work with a friend to film your explanation.	With a friend, create a radio or television advert that promotes space travel.	Working with a partner, or in a group, make a PowerPoint or poster presentation about an event or facts about Ancient Greece and present this to an audience.	'The Ancient Greek Civilisation was the greatest civilization of all.' With a friend debate this statement. One of you agrees the other person disagrees. Try to persuade your partner that you are correct.
	Your choice
