Children Isolating 2021-22

From September 2021 Government Guidance states that schools will no longer set individualised work for children isolating with Covid 19. However, we know that some parents and carers are keen for their children to continue working at home if they are asymptomatic and feeling well enough to do so.

Here is an optional daily timetable with activity ideas:

Time	Morning					Afternoon

Extra:
CGP have affordable work books for all ages and all subjects if you would like your child to work through a book: <https://www.cgbooks.co.uk/>

This is a PDF timetable with hyperlinks to suggested activities for each day. **One of the main differences you can make to your child's progress, is to listen to them read daily, so please make this a priority. If you need any books from school please come and collect them.**

You will need a digital device or laptop/computer to access these activities, so please enquire through email (admin@kingathelstan.rbksch.org) if you need borrow a device. You will need to sign the loan agreement to use a school laptop.

EYFS and KS1 Phonics:

Additional phonics activities are available on Google Classroom for those children isolating in EYFS and KS1. Please watch these videos and join in.
