29<sup>th</sup> January 2021

Dear King Athelstan pupils,

We wanted to write to you to say well done with all your learning so far this term. We have loved looking at your work and all the staff are pleased with how hard you are trying. Keep this up and remember to make exactly the same effort as you would if you were all in your classroom at school.

Thank you to everyone who took part in our Super Learning Day last Friday. We hope it made you feel happy and relaxed. We enjoyed seeing all the activities that you completed. It was lovely to see your families joining in, too. Remember, you can always do some more of the family wellbeing creative activities if you have spare time on other days.

Please keep following the government's lockdown rules - we know you are very good at this. If we all follow the rules then the virus will not spread so quickly and we will all keep safe. Then hopefully, we will all be able to get back to school.

Have a lovely weekend and don't forget that we all miss you and are thinking about you. Take time to relax with your families and spend lots of time reading as this is the most important part of learning.

Stay safe, and don't forget: "Believe in yourself".

Miss Newton and all the King Athelstan Team
