

Kingston Libraries

As the libraries have now shut as a result of COVID-19, please follow these instructions instead to access eBooks and more.

Existing library users can access e-collections using this link:

https://llc.ent.sirsiidynix.net.uk/client/en_GB/kingston/?dt=list

Once you have signed in, click on either e-library or online resources from the menu from the left and then click on whichever e-book provider you would like to access.

New users should follow these instructions:

1. Go to https://llc.ent.sirsiidynix.net.uk/client/en_GB/kingston
2. Click on 'Join the Library'. Fill in the form but make a note of the temporary card number that will start 'UNREG.....' and the PIN that you choose
3. You should then be able to access OverDrive (the app is called Libby), BorrowBox, and RBDigital for eBooks, eAudio and digital comics and magazines using the temporary card number without having to come into a library

Enjoy reading!
