

## Kingston Music Service - Singing

On 20 April 2020, we're launching a fresh new **Sing Up at Home** area on our site. This space will be totally free and accessible to parents and families using this link: [www.singup.org/singupathome](http://www.singup.org/singupathome)

Here you can find backing tracks or full performance versions of popular songs, with lyrics, to get you and your family singing at home!

We will be uploading fresh videos and resources for pupils and their families to make the most of singing whilst at home.
