Dear Families,

## Meet the Teacher Meetings for Years 1-6

We are looking forward to the start of the new school year with all of your children settling in to their new classes. We would like to extend an invitation for you to meet your child's class teacher and further understand the expectations of the year group that your child is in. Nursery and Reception classes will make separate arrangements later in the term.

The sessions will take place in the hall at 3.20pm and there will then be the opportunity to visit your child's classroom. Each year group will have their meeting on a separate day/time to enable those with more than one child in the school to see each class. On the day, please wait with your children in the playground when you pick up at 3.15pm and staff will direct you to the hall once all other children have been dismissed. The session will finish at approximately 4pm.

While there will be an opportunity to ask questions about the learning that takes place in the class, this is not a forum for the discussion of individual children. This will be facilitated in the parent/carer meetings taking place in October (details to follow). This is a great opportunity to further develop the home-school link and will provide vital information regarding homework and year group routines, so please make every effort to attend.

The staff teams are looking forward to meeting you.
