

Nelson Class (Reception)

Mohamad has been busy!

I have fun with my sister

read the story

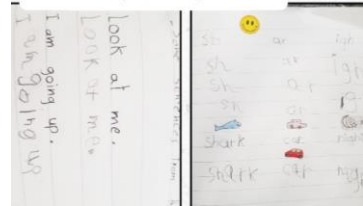

I love snails

This is my gift card for mom in mother day

Some of my learning at home

From Robbie:

Dear Becks,

I did fantastic maths today. Recently I have been playing Lego and I have Biscuit Bear at my house and I went on a goblin prince phonics game. I have also been watching Robot Trains. We will go on Roller coaster tycoon on the computer :)

Love, Sam.

Bethany with her three little pigs and their houses:

Nelson Class (Reception)

Bibi's bean has grown! And here is her magic carpet:

Harrison has written 'hello' in lots of languages! He and sister Isabella (Matisse Class) also made solar ovens from pizza boxes!

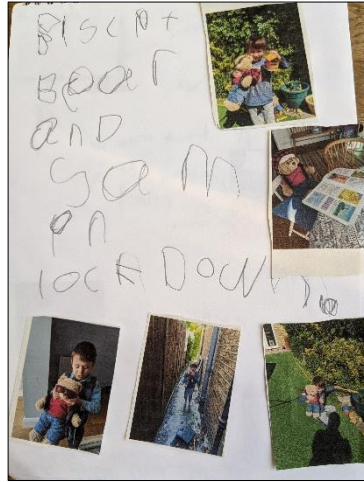

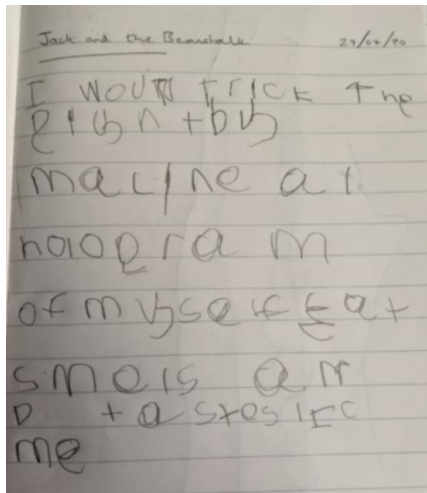

From Alex:

I've been busy planting, baking cakes, doing science experiments and lots of other school stuff. I have also learnt to ride my bike without stabilisers. I have put my butterfly picture in the window and made a puppet show of the three little pigs.

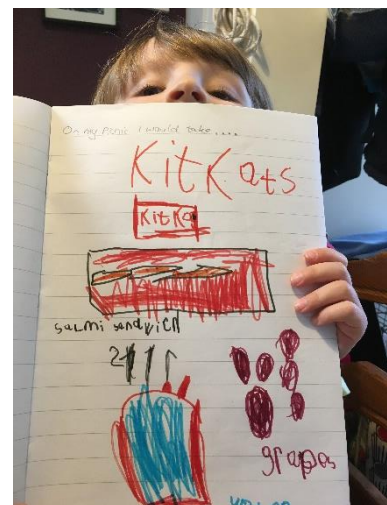

Nelson Class (Reception)

Sam N's brilliant plan to make a hologram of himself, reading his Transformers book, and an update on Biscuit Bear....

Ben made a shadow knight, a beanstalk, and drew Little Red Riding Hood's picnic:

From Theo:

See here my drawing and three little pig story puppets.

Nelson Class (Reception)

George has been busy in the kitchen!

Orla has been growing sunflowers with seeds from last year's plants, and giving them to passers-by!
