

# King Athelstan Primary School Newsletter 3 – February 2021

Thank you for your amazing support in this very unusual term. We are so proud of your fantastic children who have worked hard both on site and at home, and demonstrated real resilience to all the changes that have come their way. Please make sure you all have a good rest over half term and enjoy time as a family without the pressure of remote learning. As yet, the government has not announced any plans for returning to school - as soon as they do, we will write to you to explain our approach. We hope you have enjoyed our Super Learning Days this term. World Book Day 2021 is on 4th March—more information to follow.

## Class Google Meet Sessions

We know that some children find it difficult to have their cameras on during Google Meets, however, from a safeguarding point of view, it is really important that the teachers see all children, and that the children see each other. If cameras are off, we do not know for sure who is online. Thank you for your support in this. The sessions are:

Time	Year	Class	Days

9.40am (20 mins)	R	Kusama Nelson	Monday, Wednesday, Friday

\* Please note, there will be no Y5 or Y6 Google Meets on Monday 22nd and Wednesday 24th February as teachers will be doing parent/carers consultations.

## Parent/Carer Consultations

This week you will have received emailed letters about the parent/carers consultation meetings which take place on Monday 22nd and Wednesday 24th February (with additional appointments available for Nursery on Tuesday 23rd). The meetings for children with SEND take place the following week, from 1st March. The booking site is now open for all meetings on:

<https://kingathelstan.parentseveningsystem.co.uk>

You will need to use your child's **Legal Forename, Legal Surname, Date of Birth** and the email address currently registered with school to book an appointment. Once a booking has been made you will be sent a booking confirmation by email, which you will use to access the meeting on the day. School does not receive a copy of this, so please keep the email safe. Please note, the meetings are automatically timed, so cannot run late or start early.

## EYFS and KS1 Workshops for Parents/Carers

This term, we have run reading and writing workshops for parents and carers in EYFS and KS1. The online workshops explained the following common questions:

- How are reading and writing taught at school?
- What is phonics and how is it taught?
- How does the reading colour scheme work?
- How can parents/carers help at home?

You can view the workshop presentations on the website here: <https://www.kingathelstan.kingston.sch.uk/>

## Nursery Request

Our baby dolls are cold and would love to have some more snuggly clothes to wear, if at all possible? We have baby girls and boys and they are 45cm long. Any small blankets would be an extra bonus, too!

## Staff News

At the end of last term, we welcomed back to Nursery Kayleigh Lee who has been on maternity leave. Kayleigh will be joined in the middle of March by Laura Davis, also returning from maternity leave, who lots of you will know from when she taught in KS1. It is great to have them both back.

## Contact

## Lockdown Rules

Please obey the law and stick to the lockdown rules. A number of children have talked about playdates when they are on Google Meets. This breaks the lockdown rules and puts everyone at risk. Thank you.

## Amazon Wish List

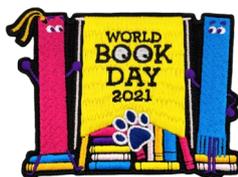

We continue to be surprised by deliveries of items from the school wish list! Here is our list, which we update regularly: <http://amzn.eu/iVtYjlt>

## Super Learning Days

On 22nd January we held a Super Learning Day with a focus on Wellbeing. There was an Action for Happiness assembly, live online story times, uplifting music sessions, family craft times and physical wellbeing sessions. This week, in response to feedback regarding the amount of time children are spending on electronic devices during the lockdown, we ran a Digital Detox Day, where all activities were possible with no, or significantly reduced, access to any electronic devices and aimed to use common household resources. We have had great feedback from both children and parents/carers about both days and hope you all enjoyed and benefitted from them. Our next Super Learning Day will be World Book Day on 4th March. On this day, children on site may come to school dressed as their favourite book character or in pyjamas for bedtime stories if they wish, but this is entirely optional.

## Chinese New Year

Friday 12th February is the start of the Chinese Year of the Ox. People born in the Year of the Ox are said to be strong, reliable, fair and conscientious, inspiring confidence in others. Happy New Year!

## Wear a Hat Day

On 26th March, we will be supporting the charity Brain Tumour Research by taking part in Wear a Hat Day. Children (and adults) can wear a hat on this day in return for a donation to Brain Tumour Research (via the item on ParentPay). This can either be at home if we are still remote learning, or in school if we are back. Brain tumours kill more children and adults under the age of 40 than any other cancer, and have affected families within our school community. Thank you for your support.

## Snow!

Here are some pictures of the recent snow at King Athelstan. The children on site had a lovely time playing in the snow in the playground, and Dariusz was kept busy clearing the paths!
