12th December 2023

Dear Parents & Carers of Klee Classes,

We will be launching our book pack scheme after the Christmas holidays. Each week your child will receive a book pack. Inside each pack is a story book for you to read to your child and a reading support card. On the support card, you will have some suggested activities you can complete at home.

The staff have spent a long time preparing these book packs in order to enrich the children's reading experiences. We ask politely that you support your children to access the books respectfully and to please return the packs each week so that another child can use it. There are 26 books packs and so if they aren't returned in time there will not be enough to send out to each child the following week.

We will send out book packs on **Mondays and collect them on Mondays**. You will have each book pack for 7 days.

If the book pack is not returned, you will receive a reminder and your child will not receive another pack until it is returned.

We hope that you and your child will enjoy this resource and we look forward to hearing the children's thoughts on the stories they have shared!

Please upload any photos of children enjoying the book packs or completing the activities onto **Google Classroom**. You could bring some of the activities in on Friday as a "treasure from home" too!

Thank you for your support, any questions just let me know.

Becks
