Dear Families of children in Klee Class AM,

A Day in the Life of a Nursery Child

I would like to invite you to a short presentation **in the Nursery classroom** on **Thursday 2nd October 2025** at the start of the Nursery session from 8.30am to 9am. Children will be able to play outside with staff whilst adults attend the presentation.

This will give you an opportunity to gain an insight into your child's session now that they have started in Nursery. It will cover information regarding all areas of learning including how best to support your child at home. It will also give you an opportunity to look around the classroom and speak to the class teacher after the presentation.

The presentation will also be posted onto Google Classroom afterwards.

Kind regards,

A handwritten signature in blue ink, which appears to read 'Alice Alexander'.
