

Dear Klee and Little Klee,

I can't believe that I have been at King Athelstan for almost a whole term! The time has gone so quickly! It has been lovely to meet some of you and your families over this time and I can't wait to see everybody back together again in September.

I have had the pleasure of reading some of your reports over the last few weeks and have been really pleased with your progress and achievements. I have also been helping the teachers plan a lively and enjoyable curriculum for your return in September and I can't wait to hear all about the amazing learning you have been doing at home. Remember you can still enrol in the Summer Reading challenge at:

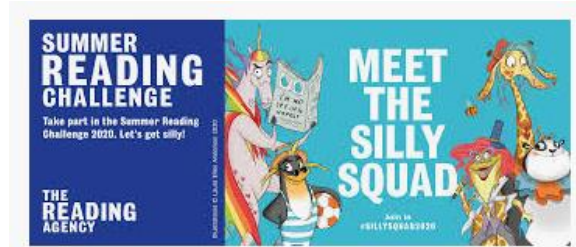

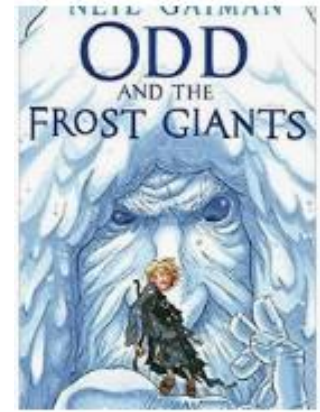

<https://summerreadingchallenge.org.uk/>.

I have been reading a really gripping book called 'Odd and the Frost Giants'. It is about a Viking boy called Odd, who goes on an adventure in the wild and finds three talking animals that are actually gods: Odin, Loki and Thor. This is a wonderfully wintry, magical, mythical story and is a fantastic read for fans of the Norse myths. I wonder what you are reading at the moment?

On Friday and next Tuesday we will be saying goodbye to our children in Year 6 - 'Our Class of 2020'. A new adventure lies just around the corner as you start your new secondary schools. We will miss every single one of you! Hold on to your butterfly dreams and thank you for making me feel so welcome this term.

Have a great week everyone and look after each other.

From Mrs Mastrocola

Dear Klee and Little Klee,

Welcome

How are you all? Thank you to everyone who attended our Zoom calls, it's always really lovely to see you all! I hope you've also enjoyed activities from our home learning slides; remember to still send us some work, we always love to see things you've done at home. This week I've enjoyed my first barbeque this year. I had some vegetarian skewers, barbeque cheese and burgers. I also put some of my favourite music on while enjoying sun in the garden. I really like to listen to some old and new acoustic covers. Do you ever listen to music? What is your favourite music? I've also had lots of Zoom calls with my family as I really miss them already. We're trying to send lots of photos and messages to each other to keep in touch. Did you send any photos to people you miss? It's nearly our final week of this school year - time flew so fast and I really wish we could spend more time together in the classroom! I'm really going to miss you all, but will hopefully still see some of you walking to your new classrooms sometime; hope you're all excited! See you on Zoom on Tuesday! 😊

From, Nadja x

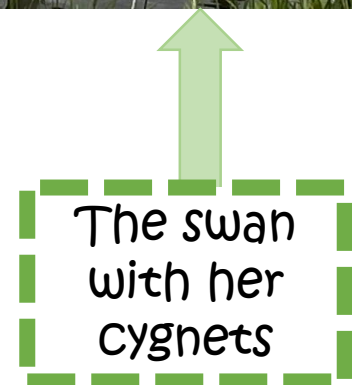

Dear Klee and Little Klee,

I am so excited to teach those of you staying in Nursery in September! I'm looking forward to seeing you again, as well as organising lots of fun activities for you to take part in. I can't wait for cooking with you in the cookery room, art activities and reading lots of stories! One of my favourite lessons in Nursery is 'Helicopter Stories', where we make up and act out our own stories! What are you most looking forward to about Nursery?

I hope you've all been having a nice time at home. I've been enjoying going for walks in the park. I was really excited to see a swan carrying her babies (cygnets) on her back. She carried them all the way across a lake! Can you spot them in the picture? Have you seen any interesting animals recently?

Looking forward to seeing you all in September!
Enjoy the rest of your summer, Pip X
