Dear Families,

Mystery Bag!

In Nursery we will be starting "Mystery Bag Show and Tell". This activity aims to encourage creativity, communication, and curiosity for the children, while encouraging a sense of pride in their belongings.

Every **Monday**, one child will bring home the Mystery Bag. The child can choose something from home that they are proud of, something they made, or simply something they enjoy. It could be a familiar book, a souvenir from a memorable trip, or anything else that holds significance to them.

Please bring the bag back in any day before the following Monday, so we can reveal the mystery object and your child will have a chance to show and tell what they have brought in. Then the bag will go to the next child every Monday.

We take a picture of each child's objects and put it into a scrapbook to go in our book area.

If any you have any questions or queries about this, please just let me know!

Many Thanks
