

# Riley Class Y6

Amelie has been busy writing blackout poetry and making Egyptian flatbread from an ancient recipe!

Morgan made a terrarium:

I made a terrarium. I made it by putting activated carbon in a jar along with pebbles to keep the air clean and provide drainage. Then I put soil (warmed) on to the carbon and pebbles along with the plants (succulent and cacti). I have to leave the lid off do the cacti don't rot.

Alex and his brother Sebastian (O'Keeffe) have been busy:

## Riley Class Y6

Vishnu has been working on the WWII theme:
