Dear Families of Y5,

## Bikeability Information and Bookings

I am writing to you regarding the Bikeability programme we run at King Athelstan Primary School. In Y5 or Y6 your child will have the opportunity to take part in this programme. It is organised through the Environment Service at the Royal Borough of Kingston and is funded by the Department for Transport. We currently offer Bikeability Level 1 and Level 2 training.

### What is Bikeability?

- Bikeability is designed for children who have a reasonable control of a bicycle
- Children learn control skills in off and on road situations
- Children will be taught road position and how to communicate with other road users
- Children **must have** a roadworthy bike (air in the tyres, working brakes and chain attached) and a helmet
- Visit the Bikeability website for more information : <https://bikeability.org.uk/>

I have secured courses for week commencing 18<sup>th</sup> March 2024, and am in the process of finalising numbers. Please indicate on the Google form if you would like your child to attend a course in the spring term. You will not receive confirmation, however, your child will be added to the register. All courses take place during the school day.

<https://forms.gle/pUpr1QtpyZJmuk5f8>

Please complete the Google form by **Monday 18<sup>th</sup> September 2023**.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'DMcL'.
