Dear Families of Y6,

Bikeability Information and Bookings

I am writing to you regarding the Bikeability programme we run at King Athelstan Primary School. In Y6 your child will have the opportunity to take part in this programme should they have missed out in Y5. It is organised through the Environment Service at the Royal Borough of Kingston and is funded by the Department for Transport. We currently offer Bikeability Level 1 and Level 2 training.

What is Bikeability?

- Bikeability is designed for children who have a reasonable control of a bicycle
- Children learn control skills in off and on road situations
- Children will be taught road position and how to communicate with other road users
- Children **must have** a roadworthy bike (air in the tyres, working brakes and chain attached) and a helmet
- Visit the Bikeability website for more information : <https://bikeability.org.uk/>

I am currently in the process of securing bookings for this academic year 2022-23. Please indicate on the Google form if you would like your child to attend a course in the summer term. You will not receive confirmation, however, your child will be added to the register. All courses take place during the school day.

If your child attended Bikeability in Y5 and passed Level 1 and Level 2, then please do not complete this form.

<https://forms.gle/3LZuKDZdkvrLXvtY7>

Please complete the Google form by **Monday 18th September 2023**.

Yours sincerely,

Darren Mc Laughlin

PE Coordinator
