Dear Families of Y6,

Year 6 SATs Books

Thank you for your involvement and support so far this year.

At our Meet the Teacher session and Parents' Evenings, we discussed how you could help your child with reading, grammar and maths revision at home in the run up to SATs.

As a school, we receive a large discount on CGP practice materials when we buy them in bulk. If you would like to order some of these materials, please pay via ParentPay in the usual way by **Friday 28th November**.

We highly recommend these revision books, as they cover everything in the new curriculum and will help your child to get ready for the rigours of secondary school.

Books available:
