

## King Athelstan Weekly Digest Issue 10 - Friday 15<sup>th</sup> November 2024

Dear Families,

This week, our school rule focus was our third PRIDE value of 'diving deeper'. Next week we will be focussing on 'Excellence'.

In Monday's assembly we talked about Remembrance Day and its history. We discussed why poppies are used as the symbol for this special day and in KS2, we marked the 2 minutes silence all together in the hall. We watched the BBC live coverage of events around the country.

It has been lovely seeing lots of children wearing spots today for Children in Need. Thank you to all who have donated to the charity on ParentPay. There is still time to donate - see the item below for details.

Don't forget it is the Parent Carer Forum on Thursday 21<sup>st</sup> November at 9am. Do come along on the day if you are free, even if you don't have an item for the agenda. Please submit any agenda items here: <https://forms.gle/pPJXpmmqyYaYN45s9>

Have a lovely weekend.

Emily Newton, Headteacher

### King Athelstan Christmas Cards

Remember to order any packs of Christmas cards from Class Fundraising - the closing date has been extended until **Sunday 17<sup>th</sup> November**, so you have the weekend to decide!

### Post Box Wanted

Does anyone have a large post box that we could have or borrow for our children's Christmas card service? Or is anyone able to make us a long-lasting weatherproof one? For the last few years we have used pop-up fabric ones but they have perished and are not re-usable. Please let us know on [admin@kingathelstan.rbksch.org](mailto:admin@kingathelstan.rbksch.org). Thank you.

### Nursery Learning

This week, children in Nursery have been learning about shapes. They have investigated what shapes they can see in school: square windows, rectangular tables, round balls and triangular signs. Today, they made their own pizza on this theme - it smelled really delicious, and they certainly enjoyed eating them!

### Kingston Grammar School PE

This term, as part of Kingston Grammar School's Outreach Programme, we have been lucky enough to have Nathan, a PE specialist coach, taking some extra PE lessons. This is part of a collaboration with local primary schools. The children have enjoyed his sessions, so thank you to Kingston Grammar School.

## Children in Need

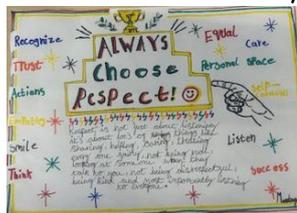

Today we had spotty accessories galore in aid of the BBC Children in Need. We are collecting for the charity on ParentPay - you can still [Click here](#) to make a donation straight to the charity. Thank you.

## Anti-Bullying Week

This week for Anti-Bullying week we have been thinking about what respect means and the different ways we can show respect to others. In class, children have been writing poems, designing posters and sharing ideas about how we can 'choose respect'. When we choose respect, we make our school a friendly, happy place. Imagine if everyone chose respect every day... The great poster (left) is by Mustafa in Year 4, and Eliza in Year 5 made the one on the right. They are both lovely.
