

Dear Families,

What a fabulous week! We had a wonderful International Day yesterday. The children looked amazing and enjoyed a busy day of activities. A huge thank you to all the families who made such delicious food for the Market after school. Thank you also to Madame Bailey for organising the day.

This morning we waved 54 Y6 children off on their weekend residential. They are spending today at the Cotswold Wildlife Park and then from late afternoon will be at PGL Liddington, completing all sorts of exciting challenges and ending with a camp fire on Sunday night. We know they will have an amazing time. A huge thank you to the staff team and all parents and carers for ensuring everyone was ready with all the right equipment. It was a tight squeeze on the coach with all the luggage!

On Monday we had a visit from Fr Joe Moffatt and Mr David Condry, Director of Music, from All Saints Church in Kingston. We will be doing some work with the Church next year around the 1100th anniversary of the accession of King Athelstan (he was crowned at the site of All Saints Church). Mr Condry runs the choir at All Saints and led the children in singing a round of 'Swing Low Sweet Chariot'. Please see the information at the end of this Digest about opportunities to join the choir at All Saints if you wish.

Next Thursday is class photo day - please see further information below as all children will need to be in full school uniform (no PE uniform) on this day.

Have a lovely weekend.

Kahlo Class Assembly

Kahlo Class presented a great assembly on Wednesday, all about war. They devised and performed their own 'haka', a type of ceremonial dance in New Zealand's Māori culture. They demonstrated all their learning about the second world war, and sang some wonderful songs from that time, such as 'Pack up your Troubles' and a very poignant 'We'll Meet Again'. Well done Kahlo Class!

Walk to School Week

Thank you to all our families for your amazing support of our Walk to School Week 20th-24th May. The children

were very inspired by the challenge and Y5 pupil Teddy (who designed all the artwork) made a Powerpoint presentation to announce the winners to all in assembly on Monday.

Points were awarded for how many children in each class walked/rode a bike or scooter to school each day. In third place was O'Keefe Class Y1 with 115 points. Dali Class Y5 were second with 117 points, and with a huge 134 points in first place was Mehretu Class Y4!

Class Photographs

Next **Thursday 13th June**, the children will have their photograph taken with their class. Please ensure your child arrives at school on time to ensure they are present for their scheduled time slot.

All children from Reception to Y6 must wear full smart school uniform including school shoes. If your child has PE or MUGA day on Thursday, **they must bring a pair of trainers in a carrier bag to change into for their PE lesson.** Our Year 6 leavers will have additional leaver photos taken on the day.

Individual and sibling photos will take place in the Autumn term.

International Day

We celebrated International Day on **Thursday 6th June**. It was a non-uniform day and so children wore wonderful traditional clothes from another country or the colours of the flag of their class' chosen country. There were some amazing 'windows to a world' creations, which will be put on display. There was a variety of exciting activities across the school, such as learning about ancient Greece and the first ever Olympic games, Flamenco dancing, Spanish fan-making, Moroccan mosaic bookmarks and a New Zealand treasure hunt. We also held our International Food Market after school once again and there was a fantastic array of dishes

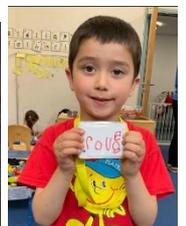

from around the world. Thank you so much to everyone who contributed dishes,

videos, and who helped out at the Market. We will let you know how much money was raised, too. We hope

everyone enjoyed this celebration of languages, cultures and food that make King Athelstan great!

Community Messages

In this section of the Digest we include information received from other agencies. We are not promoting these items, but include them in good faith as they may be of interest to King Athelstan families:

All Saints Church - There is a new junior choir aimed at children in Years 2, 3 and 4. There is no audition, it is simply for children who love to sing and want to sing with other children. This is an excellent opportunity for children of all levels of ability and experience to not only have fun and make new friends, but also to become great singers and learn about music. The choir will take place on Friday afternoons at 4.15pm, but once they have built up plenty of confidence and are sounding great, All Saints would love to invite the junior choir to take part in occasional services and in concerts with school choirs and the Choir of All Saints Kingston. To join, please email choir@allsaintskingston.co.uk or come along on Friday afternoon.

Royal Opera House Youth Opera - Applications for the [Royal Opera House's Youth Opera programme's](https://www.roh.org.uk/learning/young-people/youth-opera-company#apply) close on **June 10th**. The youth programmes are free of charge and give children access to leading vocal and drama training and the chance to perform in world class opera productions. Applicants do not need to have had formal singing training, just a love of singing, be singing on a regular basis, and have an enthusiasm and curiosity to explore and perform opera. Please go to the link below for more information on the programmes and how to apply. Children must be aged 7-11 at time of audition: <https://www.roh.org.uk/learning/young-people/youth-opera-company#apply>
