

Dear Families,

An update on the progress towards including halal options on our school menu: we now have the draft new menu which starts after Easter. Wilson Jones have included a weekly halal option which will run on a trial basis for the duration of the menu cycle (until October 2026). We will gather feedback next term. We are also looking at introducing some variation on the third-choice option which is currently jacket potatoes every day.

Today we put all the lost property out in the playground - there were hundreds of items without names, including coats and shoes. PLEASE name everything that your child brings to school, including gloves and lunch containers. If it is named, we can reunite items with your children quickly. Thank you.

This week we met with the project managers responsible for the electrical supply upgrade work currently causing the roadworks further up Villiers Rd. The works will be coming past King Athelstan in the coming weeks. The meeting was very positive and the team assured us that they would put in a crossing to support families coming to school. There will be significant disruption to parking with suspension in place along Villiers Rd outside the school for the duration of the work. Please start to think about alternative parking options, or consider walking/cycling to school. We will send out more information when we have it.

Have a good weekend.

Headteacher

WhatsApp Groups

We understand that WhatsApp groups are helpful when created by parents/carers to share information and provide support, however they are not an appropriate forum for addressing concerns relating to the school. We kindly ask that all parents/carers ensure communication in any school-related messaging groups remains respectful and appropriate at all times. If you have any concerns whatsoever about school matters relating to your own child or about members of staff, we request that you raise these directly with the school so they can be addressed in a constructive and supportive manner. Thank you for your cooperation and continued support in helping us maintain a respectful and positive school community.

New PAT Dog

This week we welcomed our new PAT (Pets As Therapy) dog Gin, who came in with her adult to meet some children. Find out more about the charity Pets as Therapy [here](#).

PAT Dogs love meeting new people and relish being touched and stroked. Volunteers and their pet dogs come into schools to support children. Gin will come in once a week to meet small groups of children and share story time in a Nurture setting.

SEND Support Team

The Kingston SEND Support Team has asked us to share these details offering help and advice to families of children with SEND, or those who are on a pathway to diagnosis. You can contact them here: sendsupport@yourhealthcare.org You can scan the QR code below for more information:

Inappropriate Games

It has been brought to the school's attention that some children have been playing an inappropriate game with scary/supernatural themes while in school. Please be assured that this has been dealt with. Whenever we become aware of this sort of thing happening, we deal with it immediately. Please be aware that it sometimes takes a couple of days for it to stop completely, however, it is helpful for you to let us know if you realise that a problem persists beyond that. A lot of viral games come from online access particularly YouTube and social media. Please continue to monitor carefully your child's online access. Many thanks for your support in this matter.

Primary Maths Challenge

Four of our Year 6 children took the primary maths challenge before Christmas with the following results: Eshaal reached gold with an amazing 20 points, Adam and Max P reached bronze and Alex was commended. They are all now working towards the Junior Maths Challenge. The event was held at Kingston Grammar School, who said the children did really well - it really is quite a challenge!

Y4 Mehretu Class Art

Mrs Barr, Art teacher, is incredibly proud of the art work the children produce and wanted to show Mehretu Class' fabulous ancient Egyptian masks which they worked on last term. The children really enjoyed working on these, and they look amazing!

Amazon Wish List

The Wish List was started after families wanted to contribute items to school. We frequently add new items that we need in school. We received a much-needed milk jug for breakfast Club today - thank you! There is no obligation to buy anything, but all purchases are very much appreciated. The link is: [King Athelstan Wish List](#).
